Culture and Communication Information Technology

**Universidad Católica de Valencia, Spain**  
Dentistry

## APPRENTICESHIPS AND WORK

**Grant Thornton Apprenticeship**

**KPMG Apprenticeship**

**Richborough Estates Apprenticeship**

## RESULTS 2024

Upper Sixth Students at Bromsgrove who took A level and/or BTEC qualifications in 2024 have a great deal to celebrate. 212 Upper Sixth leavers took 701 'main' subject qualifications. Just under a quarter of all qualifications sat achieved an A\* or equivalent, over a half achieved at least an A grade and just over four-fifths achieved at least a B grade. The most common grade achieved was an A grade.

Of the 170 students who took A Levels or BTEC, 2 students gained at least 5 A Level A grades, another 16 scored at least 4 A Level A grade and another 31 achieved at least 3 A Level grades.

Our cohort of 42 IB students performed well and earned exceptionally strong value-added scores. The average result for each student now stands at 38.8 and 19 students scored 40 points or more. The average result per subject was 6.1. Of the 134 HL entries, there were 70 x 7s achieved and 40 x 6s, equivalent to an A Level A\* rate of 52% and an A Level A\*/A rate of 82%.

The Fifth Form cohort also performed well. Of the 1927 GCSE qualifications sat, 41% gained an 8 or 9 62% gained at least a grade 7 and just over four-fifths were awarded at least a 6). The most common grade awarded to a Bromsgrove pupil was a grade 8.
