

BROMSGROVE SCHOOL

Sixth Form Examination Results 2024

Upper Sixth students from the Bromsgrove School Class of 2024 have received their A level and/or BTEC results and there is a great deal to celebrate.

Overall, our 212 Upper Sixth leavers achieved 60% A*/A grades, or the equivalent, and 83% A*/B or the equivalent.

In BTEC, the 52 entries saw twenty-five Distinction*s (equivalent to A* at A level) being achieved. The proportion of those achieving at least a Distinction is 92%.

EPQ results are also strong. A large cohort of 115 entries saw just under two-thirds achieve at least an A grade.

Earlier in the Summer, we received super news from the IB. Our cohort of 42 students performed well and earned exceptionally strong value-added scores. The average result for each student stands at 38.9 with nineteen students scoring 40 points or more. One pupil achieved the coveted full marks of 45 points, this is achieved by just 0.3% of IB candidates worldwide. The world average score for IB is 30.3 points.

As regards universities, the picture is very encouraging; an unprecedented 90% have secured their first-choice place, and the vast majority of the remainder will be going to their insurance choice.

We congratulate our leavers and staff on this excellent set of results.
