Fifth Form Examination Results 2024

The GCSE results which our Fifth Form pupils, and their parents, nervously opened this morning represent a considerable personal achievement and we are extremely proud of everyone.

Of the 1,927 GCSE qualifications sat in the Summer Term, 62% gained at least a grade 7, with 41% gaining an 8 or 9 (equivalent to A*/A). The most common grade awarded to a Bromsgrove pupil was a grade 8.
