An excellent aural awareness and theoretical understanding should be demonstrated at the audition and a desire to become fully involved in all aspects of musical life at Bromsgrove. 'Shortage' instruments may be favoured where they serve the need of the department's performing profile. The award covers the cost of individual music tuition at School for up to two weekly lessons during term time.

- Contribute fully to the musical life of the School, in choirs and ensembles as directed, leading performances
- Perform regularly as a soloist (at least three times in the academic year)
- Act as an ambassador for the department
- Attain standards equal to the Scholarship entry levels and achieve Grade 8 before leaving School at the end of the Upper Sixth

- At 16+ a minimum of Associated Board Grade 7 in a principal instrument and at least Grade 5 in a second instrument or voice

### **FOUNDATION SCHOLARSHIPS**

Bromsgrove maintains a number of places for Foundation Scholars. These awards only operate in respect of day places and preference is given to candidates from Bromsgrove and the surrounding area. Foundation scholarships are usually awarded at 11+ or 13+ and are then held for the remainder of the pupil's time at School.

Foundation Scholarships are awarded to very able pupils in need of financial assistance. The maximum award is 50% of the day fee (means-tested), which may be augmented by a further means-tested bursary.

Candidates wishing to be considered for a Foundation Scholarship should apply in writing to Miss Rachel Scannell, Assistant Head, at the Senior School.

## **BURSARY INFORMATION**

Bromsgrove offers a generous provision of scholarships and bursaries. Scholarships reward excellent performance in academe, sport, music and the arts, and carry little or no financial assistance. Bursaries are means-tested and offer assistance with fees. It is possible to apply for both a bursary and scholarship at the same time. Full details of the bursary application process and the bursary application form can be found on the School website.

Bromsgrove is committed as far as possible to helping those pupils who would benefit from a Bromsgrove education but whose parents or guardians cannot afford full fees. Parents and guardians wanting assistance with fees are required to fill out a means-test form when applying for a bursary, which can be found on the School website. We recommend that a bursary application form is submitted at the same time as the registration form since early submission is recommended; this should be sent through marked private and confidential as the form indicates. Although Bromsgrove has a generous bursarial fund, all bursaries are allocated from a limited fund; late applicants may be disappointed if they would need bursarial help in order to accept a place when offered. Bursary awards are reviewed on an annual basis.

Bursary recipients are expected to work hard and contribute positively to all aspects of a Bromsgrove education. If a bursary recipient were to fall short of expectations of behaviour and performance, then the bursary award would be reviewed. We want all bursary recipients to make the most of the opportunities offered to them, to thrive and succeed and hopefully in later life think about supporting our bursary funds in order to allow others to also benefit.

Parents of candidates for bursaries will be asked to complete and return a confidential form indicating their financial circumstances. The Bursar will then recommend the scale of any award that may be made. Awards are re-assessed each year. Assessment may include a visit to the family home.

The financial value of any Bursary is strictly confidential between parents, the Headmaster and the School's financial management. Pupils should not be told the size of the awards.

Applications for bursarial help should be submitted by Wednesday December 15<sup>th</sup> 2021. Bursary decisions will be made and notified in writing by Monday 28<sup>th</sup> February 2022.

Further details of the School's Bursary Policy and procedures and bursary application forms can be obtained from the Administration Manager, Mrs Kim Elvy, on 01527 579 679 ext. 237, email [kely@bromsgrove-school.co.uk](mailto:kely@bromsgrove-school.co.uk).
