CANDIDATE INFORMATION  
FOR THE POST OF  
TEACHER OF ECONOMICS

(one year maternity cover)

## INTRODUCTION

Bromsgrove pupils are academically ambitious and resilient: their behaviour is exemplary. Whilst we are not an exceptionally selective school, we expect our pupils to work hard and fulfil their potential – around two-thirds achieve a 9-7 in each of their GCSEs and over a half achieve at least an A grade in their A Levels. In 2024 our IB Diploma students averaged 38.9 points. Government and University of Durham Alis Value Added data suggests our pupils' results in the Sixth Form are the best in the region bar none over the last few years. Given students' underlying ability, in 2024, our IB students' value added saw them outperform 98% of other independent schools. A Level value added was on the 78th percentile of independent schools and all GCSE subjects bar none saw positive value added. Over a quarter of our Year 13 leavers move on to undergraduate courses at World Top 50 universities, with UCL, KCL, Manchester, Exeter and Bath tending to be the most popular destinations.

We field nationally competitive teams in all main sports; we have been one of the top six ranked schools for sport nationally in each year over the last dozen years that rankings have been published. Staff are encouraged to support areas of extra-curricular life where they have a real passion and interest. Pastorally, the school is based on the House system. Each house has a Houseparent and a tutor team which caters for around 85 pupils. Almost all teaching staff are House tutors, each caring for around 12 pupils. Involvement with the boarding life of the School is most strongly encouraged.

The School is a hardworking environment - both the working day and week are long although terms themselves are relatively short. We offer a diverse range of opportunities for pupils and staff within a strongly academic and ordered framework. We seek to appoint teachers who are passionate about their subjects and the learning experience pupils receive. We aim for teachers to actively inspire and engage students by putting learning within the context of intrinsically interesting academic disciplines. The School encourages pupils both to reflect on their evolving ability as learners and to demonstrate their ability to learn and understand content and concepts.

Bromsgrove is a happy, unstuffy school where all are equally valued. Arrogance and pomposity are quickly exposed. Pupils are offered an education that is rounded and broad: for example, in the Sixth Form, A levels, the International Baccalaureate and BTECs are all on offer. Massive investment in facilities means co-curricular opportunities are outstanding. Whilst Bromsgrove is a large school, great care is taken to ensure pastoral care is personalised, and a thriving House system means a strong sense of belonging to a warm, inclusive and lively family is a keynote of the Bromsgrove experience.

With a contemporary and global outlook, Bromsgrove seeks to turn out young adults who have achieved at the highest level in a wide range of fields, who have a well-developed sense of community and the flexibility and resilience to deal with whatever life throws at them: in short, they are 'future-ready'.

## THE POST

For the next academic year for maternity cover we seek to appoint an outstanding teacher to join the strongest of departments. The successful applicant will be passionate about Economics both as a subject in itself and the way the discipline can support a clarity of thinking that affects the understanding of the social sciences as a whole. They will demonstrate flair whilst maintaining the very highest of standards. They will hold a strong first degree in Economics or a closely related discipline and may also hold a PGCE. However, as an independent school we do not require teachers to hold a PGCE and we would be delighted to consider applications from less experienced colleagues or indeed recent graduates considering making a longer term commitment to the teaching profession – if necessary we would be keen to support and mentor a colleague through a PGCE programme so that they have Qualified Teacher Status by July 2026. Whoever is appointed, a well-structured programme of training will be put in place, providing GTP or ECT support if required, induction into the teaching profession in general and to Bromsgrove in particular. A willingness to teach a second subject or indeed support students' endeavours within their EPQs is always appreciated, although first and foremost we are looking to appoint someone able to effectively support students' studies in Economics.

As with the School as a whole, there is an exceptional depth, breadth and quality to the Economics Department. Bromsgrove's Economics Department is one of the very largest in any school. There are currently 104 students in ten sets following AQA A Level courses and 58 students following HL or SL courses within the IB Diploma programme. In addition, a further 26 students are taking a course at AS level. In the A Level we expect over three-fifths of students to gain at least an A grade and four-fifths to gain at least a B, whilst in the IB students tend to average a fraction over 6 points per entry. In all qualifications sat, we expect our economists to achieve significantly positive value added given their underlying ability when compared to a typical independent school. This autumn, 28 leavers secured places to read an economics course at a Russell Group Universities or equivalent.

A wide range of enrichment activities is offered with a dozen students following the University of London's International Foundation Programme in the subject, whilst others participating in Young Enterprise, the Student Investor Challenge and a number of national essay competitions. Our seven full-time economics teachers (who include experienced examiners or Papers 1, 2 and 3 of the A Level as well as the AS level and the IB) enjoy the benefit of fully networked classrooms with smartboards.

The Department in essence is large and robust with high expectations and a willingness to innovate to ensure pupils benefit from the best possible learning experience. This is an exceptional opportunity for either an experienced professional to enjoy working within a buoyant Department or an outstanding opportunity for a new teacher to learn their trade within a positive and supportive team. In short there is a warm, constructive and industrious atmosphere within Common Room and a willingness amongst our student body to work hard whilst being challenged.

## LOCATION AND CAMPUS

Bromsgrove is a small, leafy market town in Worcestershire surrounded by rolling countryside. It is very well connected, situated just 16 miles southwest of Birmingham (26 minutes by train to Birmingham New Street) and 14 miles northeast of Worcester. London is around 2 hours 15 minutes away by train, and Birmingham Airport is only a 30-minute drive away.

Although half of central Bromsgrove is taken up by the School's 100-acre site, it does not physically dominate the town. There is no iconic building or long driveway. It is like a secret walled garden, but its influence and importance to the local economy is immense. Like the young people it aims to send out, it makes a crucial difference to the community in a way that is creative, respectful and unpretentious.

Behind the walls, Bromsgrove boasts beautiful grounds – the main Senior School (1,074 pupils aged 13–18) campus is a tree-lined oasis. The Preparatory School (501 pupils aged 7–13) sits adjacent to the Senior School in its own 35 acres of grounds. The Pre-Preparatory and Nursery School (204 pupils aged 2–7) is two miles away, located in a Victorian mansion house with extensive grounds. Bromsgrove School merged with Winterfold School nine years ago; it has 284 pupils aged 2–13 and is situated six miles from Bromsgrove in a glorious rural setting.

A huge expansion programme over the past twenty years has led to a current roll of 2063 pupils aged 4–18, including just under 600 boarders. The attendant building programme has been massive, intense and imaginative. Projects include new boarding houses, a huge sports complex, eighteen new science labs, refurbished dining facilities and an impressive performing arts centre, which opened in 2017. Most recently, a new day house has opened, boarding houses have been refurbished and the staff common room and heritage centre have been modernised.

## BROMSGROVE SCHOOL MISSION STATEMENT:

### FLAIR : DISCIPLINE : ACADEMIC RIGOUR

Bromsgrove School aims to produce: happy, creative, moral citizens who live motivated, fulfilled lives while enriching the lives of others.

It seeks to achieve this through an enlightened, disciplined and broad education that responds to global change while retaining core values.

The Core Values Bromsgrove seeks to foster in its pupils are: Humility and Confidence; Compassion and Ambition; Respect and Curiosity; Tolerance and Vision
